Apple Online and Retail Stores: Saved Carts

May 2019

File name Saved Cart.csv

File description This file lists products the individual has added to their Saved Bag for later purchase.

Why Apple keeps this information To provide customers with a centralized place to see all the items they have saved for purchasing later.

Field Name	Details
Apple Id Number	Apple account identifying number
Product	Product code, part code, product name, or part name added to a Saved Bag
Quantity	Quantity of the product or part added to a Saved Bag
Modification Date	Date when the last change was made to an item in the Saved Bag
